Wedding Photography Information

In January 2008, Edward Benson Productions researched the cost of Wedding Photography amongst the most well known photographers. With costing ranging anywhere between \$3,500 - \$8,000, Edward Benson Productions made it their goal to make high quality photography affordable to a wider range of couples.

Why should I have my wedding photographed?

To preserve the memories of your important day. Professionally taken wedding photography creates a lasting memory of your wedding day.

Remember who was there, where you were and how you looked, all captured in beautiful, vivid imagery.

Why choose Edward Benson Productions for your Wedding Photography?

Our team at Edward Benson Productions have a wealth of knowledge, Network Television, Television Commercials, Corporate Videos, Short Films and even a documentary in Antarctica. Our work speaks for itself, we don't shoot photos to spend hours in front of the computer fixing them.

Our photographers capture moments as they are, using their camera as their paint brush. Digital effects are an option, not a necessity.

With an affordable, professional team, Edward Benson Productions is not only the best choice, but the most logical.

Do you charge for travel?

For weddings inside Melbourne, Edward Benson Productions do not charge any extra on top of our packages for travel time. Should your wedding be outside Melbourne, please [contact us](#) to organise a very reasonable arrangement regarding additional travel.

Won't the photographer running around be disruptive?

The horror stories of photographers erecting huge lights and running around disrupting the ceremony will not happen with Edward Benson Productions.

We are an experienced young team that photograph wedding ceremonies unobtrusively and with solemn respect for the occasion, using no lights and very subtle movement.

How is your time billed?

Edward Benson Productions photography covers all day.

This is from preparation in the morning until we feel we have obtained adequate imagery at the reception to thoughtfully and respectfully recreate your day through photography.

Unlike other companies, there is no hourly charge.

Should time permit we will even attend your rehearsal to get a preliminary feel for the day.
